🌐 JOSKIN – A network of experts 🌐
Agrigeer, Geer, Belgium 🇧🇪

🔍 Specialised in the sale, adaptation, maintenance and marketing of agricultural equipment and spare parts, Agrigeer is located in Geer, in the heart of the Hesbaye, a region of Wallonia that is essential in the agricultural sector and renowned for its many fertile lands.

👍 The dealership is expertly managed by 4 experienced contractors with a proven knowledge in agricultural machinery.

🟡 Dynamic, motivated, independent and attaching great importance to teamwork, they have been key partners of the company and faithful representatives of the JOSKIN quality from the very beginning.

🟢 Ready to meet the most exacting expectations of professionals in the sector, the dealership has decided to work with the greatest manufacturers of agricultural machinery. JOSKIN is one of the leading brands at Agrigeer because of its experience, diversity of machines and after-sales service.

To know more about them, do not hesitate to visit their website:
